SHAHANA P H

I have worked as a Post graduate computer teacher (2017-18) in a well reputed CBSE school in Aluva, Kerala, India. Currently I am not working anywhere. I intend to restart my career with leading corporate of hi-tech environment with committed & dedicated people, which will help me to explore myself fully and realize my potential. To have and create opportunities to improve and broaden my skills and apply it in an environment in which these skills are valued. To increase my knowledge I am currently doing a remote internship of 6 months(28.3.2020)on Machine Learning in Python language.
